Subject: Deficient Replacement Reclamation Surety, Staker Paving, Keigley Quarry,
M/049/001, Utah County, Utah

Dear Mr. Dalley :

On October 15, 2005, Tina Davis executed the Liberty Mutual Insurance Company bond no. _____ in the amount of \$615,500, which replaces the XL Specialty Bond no. _____. Before this replacement bond can be approved, there are some errors that need to be corrected which will require a rider issued by Liberty Mutual Insurance Company. The following changes are required:

- Company name, Staker & Parson Companies DBA Staker Paving and Construction Company is unacceptable. Company name shall be Staker & Parson Companies.
- The mining and reclamation plan date of March 23, 1989 is incorrect. This date shall be April 7, 1989.
- The surety was received by the Division on September 13, 2005. The attorney-in-fact, Affidavit of Qualification, and the power of attorney signatures were post dated and notarized, please correct.

If you or the surety company have any questions in this regard, please contact me at (801) 538-5258 or Beth Ericksen at 538-5318 to discuss this situation further. Thank you for your consideration and prompt attention to this important permitting requirement.

Sincerely,

Susan M. White
Mine Program Coordinator
Minerals Regulatory Program
